Noodles for Neville is a fundraising evening for all families and friends of Colleen, Jim, and their children. The evening will take place on May 9 at Magnificat High School. It will begin with Mass at 5:00 PM in the Performing Arts Center, followed by a spaghetti dinner, silent auction, and games and fun for kids of all ages. To cap off the evening, family film will be shown in the PAC Movie Theater at 9:00 PM.

Colleen Coughlin Neville is a wife, mother, daughter, sister and friend. Colleen and her husband Jim are devoted to their wonderful children. Dominic is in 7th grade, Sean is in 5th grade, and Dena is in 1st grade. The family belongs to St. Mary of the Falls Parish, and the children attend the school. The family is active in the West Side Irish-American Club. Colleen treasures her Irish heritage and draws on it deeply as a source of faith, hope, and love. The prayer of the Claddagh ring, and its symbols of crown, heart and hands, is one of her abiding favorites. **With this crown I give my loyalty, with these hands I offer my service, with this heart, I give you mine.** The Nevilles are surrounded by a loving extended family, and countless cherished friends.

Colleen is also an integral part of the Magnificat community where she has distinguished herself as an educator. Since beginning at Magnificat High School in 1989 she has served in a wide variety of roles, from English teacher to Assistant Principal for Student Life. In every role and with every responsibility that she has assumed over the years, Colleen has earned the love and admiration of countless students, parents, colleagues and friends within and beyond the Magnificat community. Colleen has many gifts, which she has been sharing faithfully and generously at Magnificat for twenty years, always with genuine love and the sharp mind and quick wit of legendary Irish humor!

Colleen has recently been diagnosed with breast cancer, and her family and friends are walking with her in faith as the realities of the illness, treatment and recovery unfold in the coming weeks and months. During treatment, Colleen will spend most of her time at home with Jim, Dena, Sean, and Dominic. There is no better medicine. Love enfolds them.

All proceeds of **Noodles for Neville** will go to help meet the significant financial challenges and medical expenses for the family. Your participation and contributions send a message of support and solidarity.
