DEAR MAGNIFICAT COMMUNITY,

As the 2015-2016 fiscal year has officially ended, we can reflect back on a successful and solid academic and financial year, knowing we have accomplished much.

Our new President, Jen Hebda Halliday ’95, along with the Leadership Team, has brought new programs, speakers and ideas to our school community. A highlight of the year was twice hosting Dr. Carissa Romero, an expert on “growth mindset,” to address our parents and the greater community. In addition, Magnificat hosted a record-breaking Endowment Gala for the Magnificat Endowment fund, providing tuition assistance to deserving students. We also had a record-breaking Annual Fund year. An extensive, new Summer Camp program for both boys and girls capped off the year. Most importantly, these endeavors were accomplished with our Mission of educating young women to learn, lead and serve in the spirit of Mary’s Magnificat at the forefront of our decision making and planning.

I humbly thank you for your generosity, which is evidenced in this Honor Roll of Donors. Your gifts provided financial assistance for many programs, as well as assisted the students with aid for tuition. As we embark on a new school year, on behalf of the Board of Directors, I would like to thank you for your ongoing support and ask you to continue that support in 2016-2017. Please enjoy this report, and know that you are welcome on campus at any time, and we hope to see you at the many Magnificat events that will occur throughout the coming school year!

Sincerely,

Maureen Karnatz Smith

Chairperson, Magnificat Board of Directors

DEAR ALUMNAE, PARENTS AND FRIENDS,

What a wonderful welcome back to Magnificat this past school year. Getting to know our students, faculty, staff, alumnae, parents and friends has been a joy and a blessing. Our community remains deeply connected through our beautiful Mission and purpose, and I look forward to this upcoming year with great anticipation.

In meeting with many alumnae and friends of Magnificat from all over the country, I remain heartened by their memories of Magnificat past and their hopes for Magnificat’s future. Magnificat has made such a difference in the professional and personal lives of women from every generation. Magnificat women are confident, compassionate and courageous, empowered to lead and serve their families, friends and communities. What an incredible blessing to our world!

The Honor Roll of Donors serves as a testament to your generosity and belief in the power of the Magnificat Mission for our young women. Your support provides students the opportunity to attend Magnificat and ensures they are able to experience challenging curricular programs, passionate and talented faculty, strong athletic and co-curricular opportunities, experiential and service learning, and purposeful attention to and development of the whole student. Your gift is a gift to the future, as Magnificat women leave us empowered to do great things for our world.

Thank you for your faithful generosity, your deep passion for Magnificat, and your willingness to model a belief in Magnificat women and their contributions to our world.

With deep gratitude,

Jenifer Hebda Halliday

MAGNIFICAT 1955 FOUNDERS SOCIETY

In 1955, three Sisters of the Humility of Mary opened Magnificat High School to 63 students in a small, vacated schoolhouse. Inspired by faith and their life-changing mission to learn, lead and serve in the spirit of Mary, these innovative Sisters established what is now a tradition of excellence in Catholic education and the largest all-girl Catholic high school in Ohio. Magnificat honors and gratefully acknowledges the members of the 1955 Founders Society whose faithful support has reached giving milestones in their commitment to Magnificat High School.

SISTER BERNADETTE VETTER SOCIETY

Sister Bernadette Vetter’s leadership and vision guided the formation of the Magnificat spirit and many of its traditions. In particular, it was Sister Bernadette and the Sisters of the Humility of Mary who were committed to provide a Magnificat education to every young woman who wished to attend. We are in gratitude to these donors who have named Magnificat High School in their estate plans.

A TALE OF THREE SISTERS...

Katherine “Katie” Hebing Reidy ’59 has the distinction of being a member of Magnificat’s first graduating class. And although she didn’t start her high school career at Magnificat—moving to Rocky River halfway through her sophomore year—she was quickly made to feel at home.

“I was a shy, nervous girl who didn’t talk a lot. My natural inclination was to be quiet, watch and learn. (Classmate) Betty Petrie kind of adopted me. She shepherded me around,” says Katie. “I felt comfortable, liked the Sisters and teachers, and felt accepted by my classmates, even though I was a newbie. These were teenage girls we’re talking about, after all,” she laughs.

The oldest of three girls, Katie’s positive experience did not go unnoticed. Her younger sisters, Pauline Hebing Alma ’60 and Theodora “Teddi” Hebing ’67 followed suit, also graduating from Magnificat. The three, who gather often for family get-togethers and monthly lunches, often find themselves talking about their Magnificat memories, each other’s graduations and more.

AND THREE MORE SISTERS...

Fast-forward a quarter century, and Katie Reidy had the first of her own three close-knit daughters, Jennifer Reidy ’85. Debbie Reidy Norton ’86 followed, and finally Kristine Reidy ’99. Jennifer is Co-Chief of the Division of Palliative Care at UMass Memorial Medical Center in Boston, a job she attributes to her Genesis experience in caring for others in Appalachia, Debbie is a current Magnificat parent with triplet daughters (more on that in a minute), and Kristine serves as Senior Director of Price Waterhouse Cooper’s Detroit office.

AND THEN TRIPLETS!

The power of three continued as Katie’s middle daughter, Debbie, had three daughters of her own, triplets, Anna, Sydney and Taylor—all members of the Class of 2018.

“The triplets always knew they were going to go to Magnificat. And they’re loving it, working hard and trying their darnedest to succeed in their classes. I pick them up from school periodically, and I love listening to how their days went. I tear up just sitting there watching
the students coming out, waiting for the girls,” says Katie. “They have made a lot of friends and have expanded their scope of friendships beyond their grade school. They’re glad of their choice of attending Magnificat.”

**AND NOW…**

Today, Katie has remained committed to Magnificat, financially and socially. She has attended soccer games, events in the beautiful Magnificat Center for the Performing Arts and Class of 1959 get-togethers.

“The physical space may have changed, but the camaraderie among students, the principles being taught and the excellent education the girls receive remains the same,” says Katie.

When asked what she hopes her granddaughters take away from their own Magnificat experience, Katie is quick to respond, “Their faith. And also their commitment to what they have learned, and to pass that on.”

**Thank you, Hebing-Reidy-Norton Family, for continuing to support the tradition of a Magnificat education, nine-fold and counting!**
ALUMNAE GIVING

The pride and loyalty of Alumnae are crucial to any school, especially when coupled with financial support that extends the benefits of their involvement with their alma mater. The generous gifts of Alumnae offer a new generation of young women the lifetime value of a Magnificat High School education.

THEN AND NOW
1959 to 2016

We thought it would be fun to compare notes with a 1959 alumna and a 2016 recent graduate to find out what has changed or stayed the same in Magnificat’s 60 years of existence. For this “Then and Now” assignment, we enlisted the help of Noreen Scott Thornton ’59 and her granddaughter Lizzie Thornton ’16. The co-curriculars and lunch offerings may have changed, but the strong faith, academic and community traditions remain strong. Read on to hear first-hand accounts from Noreen and Lizzie...

ACTIVITIES:

Noreen: Future Nurses Club; Future Teachers Club
Lizzie: Business Club, Executive Committee; Veale Entrepreneurship Program; Art Club, President; Tutor, Our Lady of Mount Carmel

FAVORITE CLASS AND WHY:

Noreen: History; it was interesting.
Lizzie: Entrepreneurship Class and Clay; I liked the creativity which I did in both of those classes.

FAVORITE SCHOOL FOOD:

Noreen: The roast beef sandwiches served at Night-in-Blue
Lizzie: Pizza and bagels

HOW DID YOUR FAITH DEEPEN WHILE AT MAGNIFICAT:

Noreen: I was active in my parish at OLA, and I appreciated the tradition of the H.M.’s.
Lizzie: As a tutor at Mount Carmel, I had a student who had just lost her father and she was struggling. Her situation helped me think about how different our experiences were even though we both went to Catholic grade schools. Working with her made me aware of the stuff going on in other peoples’ lives.

WHAT WILL YOU REMEMBER MOST ABOUT YOUR FOUR YEARS:

Noreen: I still meet my classmates for dinner once a month at Hooley House in Westlake. We’ve been doing this dinner thing for maybe 15 years. We compare notes about our children and grandchildren.
Lizzie: My friends. I didn’t have super close friends until my Junior year after Kairos. They are my best friends. There are six of us.

MAGNIFICAT MOMENT:

Noreen: Graduation and our Chant during Senior year after Night-in-Blue was over.
Lizzie: I have two; when I won my Business Club award with the Veale Foundation for my business, Frosting on the Cake, and getting a 4 on my AP History test.

CAREER GOALS:

Noreen: I went to Cleveland State University to study social studies/history. I wanted to go to law school, but became a mom.
Lizzie: I’m going to Loyola Chicago to study Marketing and Entrepreneurship.

Editor’s Note: Other alumnae in the Thornton Family tree include: Mary Thornton O’Gara ’82, Barbara Thornton Magee ’85, Janet Thornton Seeman ’87 and Megan Thornton McCutcheon ’95.
In gratitude to the parents whose generosity helps create expanded opportunities for all students, both today and for years to come.
